Sponsor the Frederick Market Street Mile!

The Market Street Mile began in 1983 as part of the first *In The Streets* event to celebrate the completion of the project to bury the electric lines in downtown Frederick. Mayor Ron Young suggested a one-mile run down Market Street, followed by a parade and a large street party downtown. The tradition has continued and although the parade is no longer held, the Frederick Market Street Mile runs on.

We invite you to join us as a sponsor of this year's event. You'll enjoy excellent marketing benefits, exposure to our growing field of participants, and the opportunity to align yourself with the highly-respected Frederick Steeplechasers Running Club and our target charitable beneficiaries.

We aim to offer a first-class race to area runners of all abilities while supporting local children in need. In 2024, 776 participants ran down Market Street and we raised \$9,979 for the Lincoln Elementary School after-school running club and City Youth Matrix.
